

Megan's Chocolate Chip Cookies

½ c. butter, softened
½ c. butter Crisco
1 c. brown sugar
½ c. white sugar
½ c. pudding mix
(or substitute with
another ½ c. white sugar)
3 eggs
2 tsp. baking soda
2 tsp. baking powder
2 tsp. vanilla extract
1 tsp. salt
3 ½ c. flour
1 ½ c. chocolate chips

Cream together first 5 ingredients in a stand mixer. Add eggs one at a time. Add vanilla. Mix baking soda, baking powder, salt, and flour in a separate bowl. Add slowly to wet ingredients. When dough is just so combined, add chocolate chips.

Bake at 350° for 8-9 minutes. Remove while still slightly gooey. Cookies will finish baking on the sheet. This recipe makes a great skillet cookie too!
